OUR COMPLETE SOLUTIONS

CUSTOMS CLEARANCE

In the global market place, rapidly changing demands on production and delivery schedules have placed increased responsibility on Customs House Brokers to provide expert Customs Clearance Services.

We have long-standing professional relationships with government agencies and this hard earned and privileged status delivers a distinct advantage when it comes to negotiating difficult consignments and dealing with the challenges of bureaucratic procedures.

Regardless of the speed with which a consignment reaches one of the destination points, complex customs procedures and documentation requirements can result in indefinite delays costing heavy storage charges to consignees. Our customs brokerage team will take full and complete responsibility to ensure that the correct documentation is prepared well in advance of all import and export deadlines in order to avoid expensive and time consuming delays.

To further strengthen this aspect of our operations, **ARKAN** maintains a bonded warehousing network. These facilities, which are suitable for any type of cargo, can be reached by road, sea or air and ensure that shipments are swiftly cleared at the point of arrival.

Customs Services include:

- Import / Export Customs Clearance Service
- Import Duty & Tax Assessment
- Classification of HS Codes
- Classification of goods
- Customs Surveying
- Import / Export Permissions of controlled goods
- Payment of Custom Duties on customers behalf
- Temporary Import / Export procedures
- Permanent Import/Export procedures
- Customs Bonded Carriage
